LOCAL MATTERS.

NOTWITHSTANDING the heavy rains, the Western mail came in on time and in good condition this morning.

DURING the days and nights of Tuesday, Wednesday and Thursday last, 2 6-10 inches of rain fell in Tucson.

GOVERNOR SAFFORD and party returned last evening from their mining expedition mentioned in THE CITIZEN last week. Particulars will appear in our next paper.

THE card of Oscar Buckalow, announcing himself as a candidate for re-election to the office of County Recorder, appears in THE CITIZEN to-day.

A LARGE quantity of goods for Lord & Williams was this side of Cienega Station a few days ago, and ought to be in town now. The goods are direct from New York.

If anybody is hunting round for a plump, square and palatable meal, or regular boarding, the place to find the same is at Marsh's restaurant, of which an advertisement in this paper gives particular notice.

THE heavy rains have made frightful gutters in our streets in many parts of town. Whether if the authorities were to discharge their duty by repairing them to-day, they would be any better to-morrow is uncertain. Probably all hands had better endure the cut up streets until the rains are over, which will soon be.

TEMPERATURE FOR AUGUST.—Hon. John B. Allen has obliged us with a weather record for the past month. The record was made up at the Territorial Treasurer's office in Tucson, and in brief is this: From 8 p. m. to 4 a. m., average, 80 3-60; from 4 a. m. to 12 m., 85 1/2; from 12 m. to 4 p. m., 71 53-60; from 4 p. m. to 8 p. m., 86 27-60; At the hours named the lowest temperature was 70 and the highest 98. Total amount of rain for August, 5 1/4 inches.

GOVERNOR SAFFORD, Wm. S. Oury, Dr. J. C. Handy, James Douglas, Jesus Maria Elias, George Huck and Mr. Bridges left September 1, to examine Las Planchas de Plata mines, near the Sonora line. Specimens of pure silver, in pieces weighing several pounds, are constantly being brought to town, and the prospects are encouraging for a rich mining district. When the party return we will be enabled to give reliable information concerning the mines.

APPOINTMENTS.—Sheriff Ott appointed R. N. Leatherwood Under Sheriff, the appointment to date September 1. Also, on August 31, he appointed James W. Overton Deputy Sheriff and Jailor. These appointments are both regarded as excellent ones.

About the 1st instant A. C. Benedict was appointed Mounted Inspector of Customs at this port, vice F. H. Goodwin, promoted to a Deputy Collectorship at Arizona City. The former appointment is worthily bestowed upon an unfortunate victim of Apache bullets, and the latter promotion is in accordance with the rules of the civil service, which promote officers according to their merit, as opportunity offers.

PERSONAL.—Judge Hughes recently received a letter from Judge Titus stating that the latter will be in Tucson by the last of this month.

Estevan Ochoa took Thursday's stage for Arizona City, where he expects to find his freight train, and will see it loaded for some interior point.

Paymaster Colonel Morrow is due here early next week. The troops have full four months pay due them.

H. C. Hooker is about due here from California. He has with him some employees and a lot of horses. He recently bought a large herd of beef cattle for army and Indian use.

A. Lazard, familiarly called "Frenchy," is due at Maricopa Wells to-morrow on his return to Tucson. After experimenting in the Los Angeles and San Francisco climates for his health, he went to San Diego, and only in the latter did he recuperate; for which reason, he intends to settle in San Diego as soon as he can adjust his Arizona business.

Colonel George Wolcott, Chief of the Fourth Division of the Texas Pacific Railroad Engineers, arrived in Tucson this week from Apache Pass, where his force of some thirty men are in camp awaiting a military escort. Colonel Wolcott complimented THE CITIZEN office with a call and some general information regarding his operations. Up to Apache Pass from the Rio Grande, the survey shows no unusual grades or obstacles in the way of construction. Of course the present work is but preliminary and may or may not be on the route of final adoption.

WITH a process issued by Justice Meyers, Sheriff Ott went this week to the Grant Indian Agency to arrest one "Sisto" for leading murdering parties upon the settlements. The Sheriff returned last evening without effecting the arrest, as Agent Jacobs holds that the United States alone has jurisdiction on that reserve and therefore refused to give up "Sisto" to the Territorial authorities.

SAN FRANCISCO, August 31.—Greenbacks are quoted here at 89 @ 89 1/2.

Expressions of Regard and Condolence.

At a special meeting of officers composing a General Court-martial, held at Camp Lowell, A. T., September 2, 1872 immediately after the adjournment of the Court, of which Captain E. H. Leib, Fifth Cavalry, was President, and Second Lieutenant Richard H. Poillon, Twenty-third Infantry, Secretary, the following preamble and resolutions were unanimously adopted:

WHEREAS, It has pleased Almighty God in his wisdom to take from our midst our friend and esteemed brother officer, Second Lieutenant Reid T. Stewart, Fifth Cavalry, who was brutally murdered by Apache Indians while traveling to perform duties incumbent upon his position as Judge Advocate of this Court-martial, therefore be it

Resolved, That while the officers of his regiment and the army at large, as herein represented by the officers present, do deeply deplore his loss, we do not forget those near and dear to him.

Resolved, That to the relatives and friends of our departed comrade we tender our heart-felt sympathies in this their hour of deepest affliction.

Resolved, That these resolutions be published in the Army and Navy Journal, Philadelphia Ledger, Erie Daily Dispatch, and ARIZONA CITIZEN, and that a copy of the same be sent to the relatives of the deceased, a copy forwarded to the headquarters of the regiment of which he was a member, and a copy retained at headquarters, Camp Lowell, A. T.

Supervisors' Proceedings.

Board met August 24. Present—Supervisors Tully and Davis and Clerk Buckalow.

The County Treasurer presented a duplicate tax roll for 1872, which was found correct.

The clerk was ordered to notify J. S. Thayer, Public Administrator, to renew his bond in the sum of \$5,000.

A man named St. Clair, unable to labor, and destitute of means, was allowed permission to board at Newgass' hotel at a cost of \$32 per month.

Board then adjourned until September 9 at 2 p. m.

AUGUST 27, a Mexican desperado who had formerly been in the employ of Colonel Woolsey, went to the latter's ranch with the avowed purpose of killing him. On the way, as we got the report, the desperado fell in with a Mexican boy reared by Colonel Woolsey, to whom he declared his purpose. The boy replied that Colonel Woolsey had reared and helped him, and that the desperado would have to kill him (the boy) before he could his recognized parent. After more was said, the desperado did shoot and kill the boy. He was afterwards captured by Mexicans in Colonel Woolsey's employ, who were determined to keep him under guard over night. Colonel Woolsey told them that the prisoner was their own countryman; that he had murdered one of their people, and advised them not to act hastily. He was guarded until the next day, August 28, and shot dead and buried by the boy's grave. These are the main points, as related to us by a disinterested man who had means of knowing the facts.

WE take the following from The Prescott Miner of August 24:

Second Lieutenant John G. Bourke, Third Cavalry, Aid-de-Camp to Gen. Crook, has been ordered to report to the Secretary of War at Washington, for assignment to duty at West Point, which duty it is said, is to instruct the cadets in the Spanish language, of which Lieutenant Bourke is complete master. This is an honor of which any young officer might be pardoned for feeling a little vain over, but we are told that Lieutenant Bourke would just as soon remain here in active service, under a commander who has great confidence in him, and among people, who for years past have looked upon Lieutenant Bourke as a brother Arizonan.

Wm. M. Buffum, County Treasurer, furnishes us with the following figures, etc., from the Assessment Roll of the county, for this year:

Value of real estate, \$290,755; Territorial, county and special county tax on real estate, \$6,978 12; value of personal property, \$430,976 84; Territorial, county and especial county tax on personal property, \$10,343 44; total Territorial Tax, \$4,330 39; total county tax, \$13,712 90; total county school tax, \$1,082 59; total Territorial school tax, \$721 73; total, \$18,043 29.

RICHARD M. HARGRAVE, who was sentenced to be hung in Prescott yesterday, has had his case appealed to the Supreme Court—says The Prescott Miner.

W. S. OURY and others are still out prospecting to the south.

WE take this method of respectfully announcing to our friends and the citizens of Arizona in general, that we have just received, and are now opening
